

Program Outcomes

UNDERGRADUATE

Pre-Licensure BSN Program Option

Pre-Licensure BSN	2020	2021	2022*
NCLEX Pass Rate ¹	N/A	N/A	67%
On-time completion rate ²	N/A	N/A	50%
Job Placement Rate ³	N/A	N/A	86%

*First Pre-Licensure cohort eligible for the NCLEX graduated in 2022

¹May graduates who took NCLEX by December 31 and passed on first attempt.

²100% On-time completion rates: Pre-Licensure students 6 semesters from time of entry.

³Self-report of pre-licensure graduates obtaining employment as an RN within 1 year. Calculated by dividing the number of graduates who are employed as a RN by the number of respondents.

RN to BSN Program Option

RN to BSN	2019	2020	2021	2022*
NCLEX Pass Rate ¹	N/A	N/A	N/A	N/A
On-time completion rate ²	Full-Time 87% Part-Time 80%	Full-Time 93% Part-Time 91%	Full-Time 87% Part-Time 100%	Full-Time 100% Part-Time 71%
Job Placement Rate ³	95%	<i>Data not collected during pandemic</i>	<i>Data not collected during pandemic</i>	100%

¹Passing the NCLEX is an admission requirement for RN to BSN students.

²For the years of 2019-2021, the completion rate was based on completing the program within 150% of the time allotted for the program option and measured from August to July. The 2022 rate is based on completing the program within 100% of the time allotted for the program option. Time allotted for Full-time RN to BSN students is 3-4 semesters and 6-7 semesters for Part-time RN to BSN students. For 2022, any RN to BSN student who graduated in May, August, or December was included.

³ Students included in the job placement rate statistic self-reported that they were working full-time in the field of Nursing. Some students chose not to report their employment status, were working part-time in the field of nursing, were working outside of nursing, or were unemployed.

Program Outcomes

GRADUATE PROGRAM

MSN Program

MSN	2019	2020	2021	2022
Licensure and/or Certification Rate ¹	N/A	N/A	N/A	N/A
On-time completion rate ²	100%	100%	85%	MSN Program 100% Education: 100% Leadership: 100%
Job Placement Rate ³	100%	<i>Data not collected during pandemic</i>	<i>Data not collected during pandemic</i>	100%

¹Passing the NCLEX is an admission requirement for MSN students. For MSN students in the Education or Leadership tracks, certification exams are not required for practice.

²For the years of 2019-2021, the completion rate was based on completing the program within 150% of the time allotted for the program option and measured from August to May for the MSN students. The 2022 rate is based on completing the program within 100% of the time allotted for the program option for any MSN student who graduated in May, August, or December and disaggregated by program option. The MSN program is only offered part-time and is completed within 6-7 semesters.

³ Students included in this statistic self-reported that they were working full-time in the field of Nursing. For the MSN program, no students reported being unemployed during years of data collection.
